DR. ANDREA THOMAS

Overview of KATT and Legacy One

KATT

to harness the intellectual capital of Africans of all ages

to propose innovative solutions to influence policy and governance

to promote positive narratives & tell the good stories

a policy advocacy brief

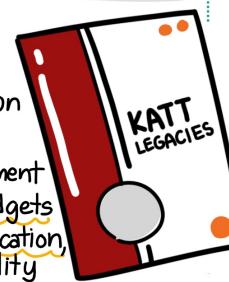

KATT Legacy AFRICAN YOUTH VOICES

VOLUME ONE: BUDGET PRIORITIES

content & insights from 9 countries

with a 56% female representation

Highlighted by youth:
They wanted their government to prioritise in their budgets job creation, quality, inclusive education, quality healthcare, gender equality

SAFIYA IBN GARBA, DTRF

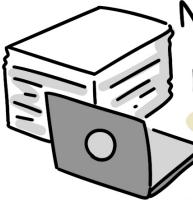

Goodwill Messages

" Young people should be at the forefront of global change & innovation " empowering them to be tomorrow's decision makers

INNOVATION BY YOUTH

being amazing & really life changing in terms of what is being brought in.

Newer projects & work led by young women and men

a message to women make sure that they are present in those sectors

We need young Africans who will be leaders, will rise to meet global challengers

Rather than being on sidelines

When you train a man, you train a single person.

But when you train a woman, you train a nation
